Preschool Outdoor Curriculum Specialist

Job Description: Outdoor Curriculum Specialist

Crystal Springs Co-op Preschool's philosophy encompasses the belief that every child has unique skills, talents, and assets worthy of support and encouragement. We are seeking a teacher who shares this belief in addition to being enthusiastic and comfortable teaching in an outdoor setting to provide developmentally appropriate instruction to children ages 1 to 6 years old. Our teachers are responsible for fostering a warm relationship with individual children, facilitating positive group collaboration amongst participating caregivers, while valuing and encouraging PLAY. The right person will have a willingness to participate in all aspects of the school; we are a small school with a tight knit community, so candidates must be both reliable and flexible.

Specific Responsibilities:

- Provide outdoor instructional leadership, in all types of weather, that enables families to learn experientially, through direct-guided experience using sensory awareness, active participation and nature's resources
- Plan interest-based outside/nature curriculum for all classes – Toddler, 2Day, 3Day, PreK and Multi-Age; structure environments to accommodate the needs of children at different developmental stages of growth, and also to their interests, abilities and pace of learning
- Responsible for the health, safety, and welfare of all children; this includes helping children stay warm and dry in wet weather, managing risk in an outdoor setting, and addressing student conflict
- Collaborate with staff to facilitate, supervise and encourage big ideas for the children and classroom, inside and outside
- Maintain outdoor spaces and equipment
- Work with the director in the ordering of materials and supplies within the yearly approved budget
- Collaborate with Green Team to care and beautify outdoor play area
- Perform additional program duties as assigned by the director according to the school needs
- Assist teacher on the Summer Camp program in June
- Attend October Shoreline Community College Health and Safety meeting

Qualifications:

- Must have experience with preschool and Kindergarten-aged children
- Interest and ability to be a self-starter in curriculum development and program design
- Ideally, knowledge and willingness to identify minor building or property repair needs (indoor and outdoor). Willingness to help address these needs if able
- Have current Adult & Pediatric First Aid/CPR certification; required immunizations
- Able to lift up to 50 lbs. on a regular basis

Job Type: Part-Time

Approximately 14.5 hours per week plus some evenings and weekends

Shifts:

- Mon., Wed., Thurs. 10:30 am – 1 pm
- Tues. 10 am – 2 pm
- Fri. 10 am – 1 pm

Salary: Pay based on experience and education

Paid Sick Leave benefits available

Start Date: Immediately
